DETAILED ACTION

The preliminary amendment filed on 06/03/2002 and the information disclosure statement filed on 8/06/2002, have been entered.

As a preliminary matter, it is submitted that the preliminary amendment seeks to cancel the original set of claims 1-32, and adds a new set of claims 33-75; not claims 33-81 as submitted in the remark section of the preliminary amendment. Claims 1-42 are allowed.

The following is a statement of reasons for the indication of allowable subject matter: The prior art fails to disclose a planar laser illumination and imaging (PLIIM) based system comprising:

A system housing having first, second, and third light transmission apertures linearly aligned;

A linear image formation and detection module;

A pair of planar laser illumination arrays (PLIAs);

And having the function and characteristics as recited in claim 1.
